AWARD WINNING SCHOOL

Friendship Express

www.arncloffew-p.schools.nsw.edu.au

This month Arnccliffe West Infants School was recognised for excellence at the 2018 Primary Principals Network Awards. It was a very proud moment accepting the award on stage as our director Craig Smith acknowledged our achievements. This award is a testimony to the collective effort of staff, students and parents who together make our school a wonderful place to work and learn.

Our students enjoyed some complimentary Yoga lessons from Chief Paul who created a very Zen space in the orange room. Everyone really benefitted from the experience so we will be getting him back for more lessons in 2019.

We have been spending some time at Athelstane recently, initially for the fantastic musical production 'Ali baba and the Bongo Bandits', then 2 Green students went up there for their transition to year 3 program. I expect tears on the last day of term as we farewell our precious year 2's but I am confident that they will prosper at Athelstane.

Sport in November focused on Fundamental Movement Skills during our gymnastics sessions. There were a couple of occasions where bad weather required some session improvisation but the children have shown great progress over the term and had lots of fun at the same time.

Assemblies in November have included cameo performances from 1 Yellow, K Red, K Pink and 2 Green with K Blue left to finish off the program at the Thank You assembly next week. There are some great photos in this edition from these performances and there are videos of each performance up on our new website.

Al Zahra Preschool came to visit and shared some fruit and playtime with our students. We thank them for their initiative in reaching out to us and Rainbows will be returning the visit next week. It was great for the teachers to swap ideas and for students to make wider community connections.

Testing for reports has finished and the teachers are putting on the final touches. These will be handed out in week 9. If you would like to discuss your child's results please make an appointment with your child's class teacher before the end of term.

Just a reminder not to miss our end of year assemblies. In case you missed the invitations please find the details on p17.

Arncliffe West Infants School CITATION

Arncliffe West Infants School are leaders in intentional learning, where learning activities are targeted to each child's individual strengths. Learning in a K-2 setting is planned, defined and differentiated to maximise progress. Although many students arrive at the school with limited English, strong early literacy programs enhance rapid progress and excellent student results in literacy and numeracy.

The school has a powerful Creative Arts Program where every child has the opportunity to develop creativity skills as well as core literacy and numeracy development.

The school is acknowledged as a leader in the National Musical Mentors program. The whole school musical program culminated in a film "Light the fire" demonstrating how music can be used to extend student opportunity and build student wellbeing through the enthusiasm of staff. The Principal, Vanda Quinn is acknowledged as a leader in music education and collaborates with schools beyond her network to enhance music education.

The school has experienced rapid growth, attracting families who look for a unique early childhood environment coupled with individualised attention where every child is known and cared for. Strong programs in nutrition and fitness complement the school's wellbeing initiatives.

Arncliffe West Infants School is a small school creating innovative opportunities for every student.

AWARD WINNING SCHOOL

The collective efforts of staff, students and parents have made Arncliffe West an award winning school. Congratulations everyone.
