# THE GRASS IS GREENER

# Friendship Express

[www.arncloffew-p.schools.nsw.gov.au](http://www.arncloffew-p.schools.nsw.gov.au)

Spring has certainly helped our lawn to grow with the help of some expert care from Mr Ford. Everyone is loving the extra lush playground space. Thank you for your patience while this area was out of action and special thanks to Mr Ford for all his hard work.

In our first week back the Stage 1 students were treated to a virtual reality tour of the solar system. Teachers and students were very impressed with the technology so this is definitely on the agenda again for next year.

It was 1 Purple's turn to perform at assembly this month and they didn't disappoint. As it coincided with Spooky day Mr Mich chose a spooky item, Thriller by Michael Jackson. Each class will perform an item this term on the following dates:  07.11.18,  14.11.18,  21.11.18,  28.11.18,  05.12.18

We invited our wonderful grandparents to the school for a special assembly to show our appreciation for all the special things they do for us each and every day. The students worked as a team across the grades to make some beautiful flowers to share.

At this time of year we are transitioning our 2019 Kindergarten students into 'Big School'. Our 2 transition weeks have been a great success and all seem keen to start next year.

We have had a couple of excursions this month. Stage 1 went to see a performance of 'The Gruffalo's Child' at the Riverside Theatre in Parramatta which was very interactive. Our students were especially responsive and loved all the characters. Early Stage 1 went on the

train to Wolli Creek Woolworths for a 'fresh food tour' and a playdate (including iceblocks) at the new playground at Cahill Park.

Year 2 have started their swimming program at Botany Pool. Photos of their fun on pages 12&13.

This term some of our students have been learning to prepare meals to promote language development and independence. Their breakfast session is on p15.

At the end of the month we dressed up for spooky day. Thankyou to the P&C who supported this day with yummy donuts.

Our new website is now up and running and we are keen for feedback. Please let us know what you think.

**Term 4 ends: Wednesday 19.12.18**
