OUT & ABOUT

Friendship Express

www.arncloffew-p.schools.nsw.edu.au

This month students have been very busy sharing with parents and exploring their neighbourhood. From the beginning of term we have been joined by our new Assistant Principal Mr Bryce Hageman. Mr Hageman was chosen from a very competitive field and comes to us with excellent credentials. He already feels like part of the AWIS family.

Our superheroes dressed up for a fabulous cause in our first week back. Thanks to the generosity of the community we raised \$202.60 for Bear Cottage to support their wonderful work with very sick children.

The pre-schoolers have started the 'Step Up To School Program' this term in preparation for Kindergarten next year. They are now joining their friends in the big school at assembly, dancing and singing.

Tuza came back again for Education Week and entertained us all with his fabulous drumming. Some lovely performances from parents and students too as everyone joined in the fun. We travelled to Rockdale Plaza the next day to showcase some dancing and singing. Thank you to those parents and friends who came along to support us.

Students have been exploring their local neighbourhood this month. Stage 1 walked to Wolli Creek to check out the built environment on the way and Early Stage 1 walked to Arnccliffe Park to explore the natural environment and the weather was perfect for both outings.

Winnie the dog came to visit with her handler Christine to teach the children how to behave appropriately around dogs. She was very patient with some very enthusiastic customers.

We all got our walking shoes on again during book week with all classes taking turns to walk to the Library. A big congratulation to our winners in the Bayside Library art competition. Well done Jayden and Anir.

Our book characters jumped off the page and into our playground and paraded for parents and friends at the end of book week. Some even went to the Library. Pictures p16 & 17.
