CONGRATULATIONS MRS FORD

This month Mrs Ford was recognised for her excellent work in our community with an award from the Kogarah Principal Network. Her dedication and expertise was acknowledged and celebrated by her colleagues at the ceremony and the community at our weekly assembly. We are very lucky to have her at AWIS. Pictures from the ceremony p6. 

We have some other important ceremonies in the coming weeks. Our Thankyou assembly is on Thursday 05.12.19 at 9:30am and the Presentation assembly is on 13.12.19 at 10am. Invitations on p7&8.

Year 2 students moving to Year 3 at Athelstane visited their 2020 school to catch up with their buddies and meet their new teachers. Despite the fact that we are going to miss them, I know they are all very excited about going to Athelstane especially being able to shop for themselves from the canteen. Some photos on p9.

The children have been learning about Badminton this month with the help of our coaches Shirley, Audrey and Sophie. Badminton is very much like tennis and trains hand eye co-ordination as well as fostering turn taking. It's also lots of fun see the photos p10&11.

Students made great gains at swimming this year and were rewarded with a play day at the pool. It looked like lots of fun. I was a bit envious when I saw the photos on p12&13

Plans for 2020 are well underway at Arnccliffe West Infants and we will again be expanding student numbers in 2020 which will necessitate the formation of an 8th class. Given the pressure on learning spaces at our school, we will be moving some classes across the road to our other site.

In the first instance, we will be installing brand new demountables so that we are sure to have enough space for the first day back next year. However, it is anticipated that early in 2020 our friends at the Turkish Maarif School will move to their new school in Auburn and AWIS will then occupy the newly refurbished permanent classrooms that they vacate. We are excited about exploring our new spaces in 2020 and welcoming new students to our school.

School Administrative & Support Staff

Maureen Ford

Citation

Maureen Ford is a long serving School Administrative Manager who has many years of dedicated service at Arncliffe West. Through this award we would like to recognise the patience and compassion she demonstrates every day with our complex community.

Maureen regularly interacts with parents and students who have limited to no English and are in Australia on a range of visa types. She has become an expert on enrolling visa holders into public schools and readily offers advice to other schools less experienced in this area. She has developed a comprehensive system for dealing with a very transient population that accommodates the constantly changing faces at our school.

Maureen has worked hard to adapt to the ever evolving departmental systems and supports her colleagues through change processes. We commend her work ethic and interpersonal skills and acknowledge her commitment to public education in NSW.

CONGRATULATIONS

Our wonderful Mrs Ford from the Office has been recognised for all her hard work with our community. We are very proud of her!
