## SHOWCASING EDUCATION

This term we welcome Mrs Venetsanos to staff. Mrs V, as the kids call her, is a very experienced teacher and will be teaching 2Green for the remainder of 2019. She has already contributed some great ideas to our programs and we feel very lucky to have her on board.

On the last day of term 2 we danced our way into the holidays with a disco. We have some fantastic dancers in our ranks see the pics on p5.

This month Tana and Fame came to visit preschool with their handler Evonne. Together they demonstrated to students how to safely approach a dog and recognise some dog behaviours. See the Jellybeans and Rainbows pics on P6-7.

This year our school raised \$846 for Bear Cottage which really makes us superheroes. The funds will be used to support children who are critically ill. Thank you to everyone for their generosity See our superheroes on p8-9.

For Education Week our friendly drummer, Tuza, returned to get everyone drumming to the same beat. The children also had the opportunity to welcome parents and grandparents into their classrooms and proudly show their guests all the hard work they have been doing. A wonderful week of showcasing education at Arnccliffe West Infants School.

In week 5 we celebrated book week by dressing up as our favourite book characters and parading at the assembly. During the week we also took turns to visit Arnccliffe Library where our beautiful art work was on display. Three of our students, Tsalmeg, Betty & Jada, were awarded 'Young Artist Encouragement' Awards. Congratulations to our talented students who received their award at the Rockdale Town Hall. See pics of the ceremony on p16.

As we end the month fathers are in focus and the children have been shopping with the help of the P&C. There were some great presents to choose from so I'm hoping that dads feel very spoiled this weekend. Happy Father's Day.

There have been some changes to our enrolment policy of particular concern to out of area enrolments. Please refer to the letter on p16 for more information, however, if you have further enquiries please call or visit the office.

Dear parents/carers,

Our school has increased enrolments to the point where we are reaching or exceeding a capacity to accommodate our students in permanent classrooms. The revised Department of Education Enrolment Policy implemented as of 22 July 2019, will have an impact on the manner in which we process non-local enrolments over coming years.

All students who reside within our local intake area will continue to be offered places at our school, however non-local enrolment applications can only be considered by schools that can accommodate new enrolments below their designated enrolment buffer level. A buffer is calculated by our school to allow the enrolment of local students who arrive throughout the year.

The impact of this requirement is that our school may not be able to enrol non-local students from 2020. To assist with the transition to this new requirement it has been agreed that non-local siblings of current students will be permitted to enrol in 2020.

As from 2021 the school may only be able to enrol local students.

The school will continue to have a non-local application process in place to prioritise any applications that may be considered exceptional circumstances or for any places that may become available if the school enrolment falls below the designated cap.

Please contact me if you wish to discuss these changes further.
