

November  
2020

With the support of a grant from Sporting Schools, we were able to engage specialist coaches this month to teach cricket skills to our students. They will be here for 5 weeks in place of sport. It has been great for everyone to get out into our playground and enjoy this lovely warm weather before the heat of summer sets in.

This month we marked NAIDOC week and honoured the role of the original custodians of our land. We listened to Aboriginal bedtime stories online and participated in a round robin of activities within the school that focused on Aboriginal culture.

As we approach the end of year, we are planning for graduations and award ceremonies. Unfortunately this year our assemblies will look and feel very different due to COVID 19 restrictions. Preschool graduations will be conducted without parents as we do not have a space large enough to accommodate that many adults safely. In the 'big school' we will be splitting the assemblies into 2 groups, one for Year 2 graduation and one for Kindergarten & Year 1 presentation. For each of these assemblies only 2 guests for each student graduating or receiving an award will be invited. These assemblies must be held outdoors and cannot include any singing performances. The assemblies will be cancelled if wet weather.

- Koalas graduation ceremony will be on Tuesday 08.12.2020
- Possums graduation ceremony will be on Thursday 08.12.2020
- Kindergarten & Year 1 presentation will be on Friday 11.12.2020
- Year 2 graduation and presentation will be on Monday 14.12.2020

For all of these events there will be photos on our website, in the newsletter and for those graduating or receiving a prize we will email pictures to parents.

The end of year picnic that we usually hold at Peter Depena Park will now be held at school on Tuesday 15.12.2020. We will provide lunch on this day and lots of fun activities. Again we are not allowed to invite parents but there will be photos.

Even though COVID 19 restrictions have made life more difficult, I have really enjoyed being out on the playground in the afternoon to assist at home time. Mrs Lane and Mr Hageman have also commented that it is really nice to connect with parents and farewell students at the end of the day. We have decided that we would like to continue this as much as possible even when restrictions ease and look forward to seeing everyone without masks on again.

We are preparing classes and programs for 2021 so if you haven't already enrolled your child for next year there are only 3 weeks left of term to do so. Please make sure your enrolment is completed by the end of term.

Unfortunately Mrs Ford will be out of the office due to a minor injury. We wish her a speedy recovery and return to work. In the meantime please be patient as the office staff attempt to fill her shoes.
