

July
2020

Finally this term we feel like we have some normality at school after some solid weeks of uninterrupted learning. We have been observing and testing students and are now preparing reports for parents and targeted learning plans for students.

This term we have commenced our creative collaborations with music mentoring back in action along with a new program linking drama and literature in the classroom with mentoring from The Sydney Theatre Company.

Semester 1 reports are being finalised and will hopefully be issued in the next of couple weeks. Once they have been sent home, teachers will be available for interviews on Zoom or by telephone.

The preschool children have been enjoying the new equipment in their playground, especially the perspex bubble and the tunnel. We love the colours too. Work is also continuing across the road on South Campus to refurbish the new classrooms in preparation for the classes to move in.

We are starting to plan our transition program for our 2021 Kindergarten students. Transition will run in term 4 from 19.10.20 to 29.10.20, so if you haven't already enrolled your child for 2021 please see page 15 for details.

Please remember that carpark are very dangerous places. If you drive to school and use our carpark you must hold your child's hand until you reach the gate and observe all parking signs and speed limits. Do not use the carpark as a short cut if you are walking to school or have parked elsewhere. Let's work together to keep our kids safe. Thank you.

We have postponed our athletics carnival in the hope that if we hold it later in the year that parents can join us.

The famous Mongolian throat singer, Bukhu, has now confirmed he will be coming to perform for us in September. Let's hope the Coronavirus situation stays stable and we are allowed to invite parents.

We are continuing our practice of social distancing at school and ask that parents do not enter the site unless you have business that cannot be conducted over the phone or via email. Please be mindful not to congregate with others, enter classrooms or allow children on equipment at afternoon pick ups. We encourage the use of face masks for adults whilst onsite where appropriate. Thank you.
