Spring Holidays

As part of our Cultural Inclusion program the famous Mongolian throat singer, Bukhu, came to perform this month. It was a beautiful warm day under the COLA and the music captivated everyone. Our students from Mongolia were especially impressed when Bukhu spoke to us in Mongolian. It was unfortunate that parents couldn't join us but perhaps when COVID restrictions ease we can have him back. Pics on p15

We all smiled for the photographer at the beginning of September so there will be new school photos available soon. We will distribute them as soon as they come in.

Chief Paul has now finished teaching Yoga so the students are hopefully all relaxed going into the holidays. This is a great program for children to help them focus on stillness. Not easy for this age group!

We 'Walked Safely to School' this month and discussed the benefits of exercise and fresh air with the students. Walking to school is a great way of getting to know your neighbourhood and meeting friends.

Our collaboration with the Sydney Theatre Company finished at the end of this term. The program has been an invaluable source of new ideas for incorporating drama into our literacy program. Everyone enjoyed the experience.

Thank you to everyone for respecting the COVID safe practices at school. We are hoping as the numbers of cases continue to decrease that we will be able to go back to having parents on site for assemblies. Please be assured that end of year assemblies will be proceeding but we will provide an update on their format closer to the date.

For those of you who like to plan ahead, the planned dates for end of year functions are as follows: Thankyou assembly 03.12.20, Koalas Graduation 08.12.20, Possums Graduation 10.12.20, Presentation/Year 2 Graduation assembly 11.12.20, Preschool Orientation 16.12.20.

A reminder that the school gates are locked between 10am and 3:20pm. Please phone ahead if you need to come to the office during school hours especially if wanting to collect your child. There is an intercom on the carpark gate to contact the office to gain entry when you arrive. Please only come to the site if your business is essential.

We will be running our transition program for our 2021 Kindergarten students in weeks 2 & 3. If you haven't already booked your session please call the office.

Have a safe and fun holiday, see you next term.
